Dear Peter,

Re: Extension of Time for Production Data Submission

I refer to your request dated 22 January 2007, for a time extension until 2 February 2007 for the submission of production data to the end of November 2006. The time extension sought is for a period of 1 week, and is requested because of the requirement to carry out additional review of some oil data.

Your request is hereby approved.

Yours sincerely
